

# Mobilgrease XHP™ 222 helps Express Roadways save up to **₹60 Lakhs** annually

**Application: Wheel hub | Address: Express Roadways, Hyderabad**

## Situation

Express Roadways, runs a fleet of 650 trucks across India, lubricated their wheel hub bearings with market general type grease and the re-greasing schedule was fixed at 60,000 km. Frequent bearing failures and high cost of maintenance were hurting the bottom line.

## Recommendation

Mobil™ recommended to use Mobilgrease XHP™ 222, a premium grease, formulated with proprietary lithium complex thickener technology. It offers reliable bearing protection, thereby leading to reduced failures and increased bearing life.

## Benefit

Re-greasing intervals extended by **1,20,000 km**

Reduced grease consumption by **4236kg**

## Impact

1. Revenue improvement of **₹9,231** per truck/year.
2. Bearings failures have decreased by **80%**
3. Maximized fleet availability and reduced annual costs

\*This Proof of Performance is based on the experience of a single customer. Actual results can vary depending upon the type of equipment used and its maintenance, operating conditions and environment, and any prior lubricant used. For more information on other Mobil™ -branded industrial lubricants and services, contact your local ExxonMobil representative.
